Weekly Bulletin April 6, 2017

## Summer Enrichment Program

Registration is now open for the 2017 [Summer Enrichment Program](#).

Niskayuna Central School District is pleased to offer summer enrichment classes to Niskayuna students. Classes blend academic subjects with hands-on exploration, and are taught by NCS D faculty.

This summer, week-long classes will be held July 10 – July 28.

Classes are filled on a first-come, first-served basis. Acceptance into a class will be confirmed as soon as it is clear that a class has reached its minimum number of students. Specific class locations will be included in those confirmations.
