

Board of Education Meeting 9-24-15

Special Meeting

1. Energy efficient lighting: board awarded the bid to ERSI Energy smart Lighting Inc. to replace fixtures at Hillside Ave location. Net cost will be \$65,000.
2. Niskayuna Rowing Trip: approved the rowing trip to the Head of the Riverfront Regatta in Connecticut, costs are covered by program fees.
3. Before and After school care at Middle schools: The board approved TSL adventures to provide before and after school care at the middle schools. Expected to begin January 4. This is in response to the survey last spring and a committee was put together to review criteria. Some board members were concerned about how JCC would react and/or feel about this since they also put in a bid.
